25X1		The present information indicates that about 50 percent of the troops were away from the installation in late April.			
	(1;)	As previously, the periodical reports of this source indicate that the western			
		section of the barracks installation is occupied by the 501st Fort Regt (US). A large number of AT guns has been reported observed in the Tannenberg Kaserne			
		for the first time. This is a vague indication that at least components of the			
		65th Cds Lecz Regt of the 20th Gds Lecz Div moved from Jeimar-Nohra to the Tannenberg Kaserne. This regiment was no longer confirmed in the Nohra airfield
